

CHILD RESISTANT JAR

Product Development Customization
One-stop packaging solution

Xuzhou • China

ABOUT US

Xuzhou Shangli Artware Co., Ltd. is an export-oriented enterprise integrating development, design, production, processing, and export trade. We own several brand trademarks including Shangli Gifts and Moshang Jiaying, and have more than ten product patents. Xuzhou Yanjia Glassware Co., Ltd. and Xuzhou Shine Packaging Technology Co., Ltd. make up the company's foreign trade department. Our sales market covers over 100 countries and regions around the world. The company has its own factories and workshops for producing glassware and lids as well as deep processing printing and spraying, with advanced production equipment such as single gob machine, double gob machine, CNC electronic machine, glassware pressing machine, metal lid machine, plastic lid machine, wooden lid machine, etc. In addition, the company has a number of senior engineers, designers, and senior technicians who can customize products according to customer's requirement in the shortest time. Currently, there are more than 5,000 products for customers to choose. The company has passed the international ISO9001 quality management system certification. As the company continues to develop and the market continues to grow, Xuzhou Shangli has decided to recruit dealers and distributors worldwide to meet the needs of new and existing customers alike all over the world.
